

San Carlos Children's Theater

presents

Friends Play Group

a theater based social skills workshop

Linda Young, M.A., Special Education Teacher

Shelley Frost, SCCT Drama Teacher and Videographer

Briana Barrett, M.A., School Psychologist

The **Friends Play Group** is a **social skills workshop** designed for small groups of socially delayed children, ages 6-9 years old. Using drama, pretend play and role playing children actively participate in modeling new skills that help them become better social thinkers. The students are videotaped as they demonstrate their newly learned skills.

For visual learners, having a take-home DVD, featuring themselves, helps children to practice their new skills long after the play group ends. Some of the skills taught are:

- * friendly greetings and goodbyes
- * self-calming strategies
- * sharing
- * losing the game and fair play
- * flexible thinking
- * team work and collaborative play
- * asking a friend to play
- * exploring feelings of shyness

Mondays 5:00-6:00 PM 7 sessions

January 23, 30, February 6, 13, (no class 2/20), 27, March 5, movie premier March 12.
